

# EXHIBITIONS

2023-24

After the pandemic it has been possible for a while to organize exhibitions. So it's high time to make an overview of the most important exhibitions. FlexiForce will definitely exhibit on the R+T in Stuttgart 2024. And, of course, we will be "walking the floor" on any important national door exhibition, allowing us to meet you. Contact your account manager to know when to meet him on one of the exhibitions presented here:
